## Empowering Students through Exam Orientation and Preparation

1<sup>st</sup> April, 2025

"An investment in knowledge pays the best interest." - Benjamin Franklin

Achieving success in exams requires more than just a determined mindset and solid preparation. It also demands a clear understanding of the rules, regulations, and procedures that govern the examination process. To equip students with this essential knowledge, the University Exam Orientation Session was conducted under the guidance of Er. Prakash Kumar Kejriwal, Executive Director of LBEF Group of Institutions. The session offered valuable insights to help students approach their exams with clarity and confidence.

Additionally, students learned effective strategies for time management, common mistakes to avoid, and tips to reduce exam stress. The orientation emphasized the importance of discipline and ethical conduct during exams. Real-life examples and interactive discussions made the session engaging and informative. With this initiative, LBEF continues its commitment to fostering student success through holistic preparation.

## Celebrating Collaboration and Career Pathways at LBEF

3<sup>rd</sup> April, 2025

Gratitude and collaboration were the focal points of LBEF's event, "Empowering Futures: Industry Insights and Corporate Appreciation." This special occasion was dedicated to recognizing our esteemed placement partners for their steadfast commitment to supporting student career growth and encouraging dialogue on strengthening the bond between academia and industry.

We proudly honored the organizations that have significantly contributed by offering internships and employment opportunities

to our students, helping them take confident steps toward a promising future. A heartfelt gratitude to our Chief Guest, Honorable Sharat Singh Bhandari, Minister for Labor, Employment & Social Security, Nepal Government, for gracing us with his presence, and to our Keynote Speaker, Mr. Sohan Babu Khatri, Management Consultant, Trainer, and Educator, for his thought-provoking insights. We also express our sincere gratitude to all our distinguished guests and dedicated placement partners for making this event truly impactful.

## Official Launch of Evolve – Nepal's AI-Driven Job Portal!

3<sup>rd</sup> April, 2025

We are proud to announce the official launch of Evolve, Nepal's groundbreaking AI-powered job portal, unveiled by Honorable Sharat Singh Bhandari, Minister for Labour, Employment & Social Security, Government of Nepal. This milestone initiative of LBEF, the first IT college of Nepal, marks a new era in digital employment solutions.

Evolve harnesses advanced AI technology to revolutionize how job seekers and employers connect, making the recruitment process smarter, faster, and more efficient. With intelligent job matching, tailored upskilling tools, and seamless employer services, Evolve is designed to meet the dynamic needs of today's job market. This platform not

only bridges the gap between talent and opportunity but also empowers professionals to take control of their career journeys. It reflects LBEF's continued commitment to innovation and to equipping the workforce of tomorrow.

## MESSAGE FROM THE CHAIRMAN

**Er. Pankaj Jalan**  
**Chairman**  
**LBEF Group of Institutions**

Dear Readers,

Warm greetings from the LBEF Campus!

I hope this message finds you in good health and high spirits. It is with great pleasure that I present the second issue of LBEF Connect for 2025, showcasing yet another trimester filled with remarkable achievements and unforgettable events.

On April 3, 2025, LBEF hosted 'Empowering Futures: Industry Insights and Corporate Appreciation' – an event dedicated to celebrating our valued placement partners for their vital role in shaping student careers and strengthening industry-academia collaboration. Hon. Sharat Singh Bhandari, Minister for Labor, Employment, and Social Security, Nepal Government, graced the occasion as the Chief Guest, adding distinction to the program. The keynote address was delivered by Mr. Sohan Babu Khatri, an esteemed management consultant, trainer, and educator who shared thought-provoking insights on the occasion. A major highlight was the official launch of Evolve, Nepal's first AI-powered job portal developed by LBEF College, marking a significant step forward in digital employment solutions.

On May 25, 2025, the 5<sup>th</sup> Research Symposium was held at LBEF Seminar Hall, featuring MBA and M.Sc. ITM 4<sup>th</sup> semester students presenting their dissertation research. The event was graced by Mr. Sohan Babu Khatri, Management Consultant, Trainer, and Educator, and Dr. Sudan Jha, Professor and Lead Researcher in the Department of Computer Science & Engineering at Kathmandu University, who chaired the Management and IT sessions, respectively.

Throughout the trimester, we conducted a series of engaging and insightful sessions designed to enrich the academic and professional growth of our students. These included Empowering Students through Exam Orientation and Preparation by Er. Prakash Kumar Kejriwal, Executive Director of LBEF Group of Institutions; Exploring the Power of MATLAB by Mr. Anil Kumar Gupta; and Hands-On with Data Science: Empowering Students with Python Skills by Mr. Bishal Prasad Kurmi. Additionally, students benefited from sessions such as Enhancing Academic Excellence through Proper Reference Writing by Prof. Dr. R. N. Thakur, Dean of Academics at LBEF College, and Exploring the Fundamentals of AI delivered by Mr. Dipesh Gurung. Further practical insights were shared during workshops on Kickstarting Innovation: Building Dynamic and Interactive Apps with Android Studio by Mr. Shambhu Gautam and a UI/UX design session by Mr. Sajeen Tandukar.

As we look ahead, I would like to express my heartfelt gratitude to all our readers and stakeholders for their continuous support. Your trust and encouragement inspire us to reach new milestones. Together, we remain dedicated in creating an environment that fosters innovation, collaboration, and success.

Stay safe, stay healthy, and may God bless you all.

## MESSAGE FROM THE EDITOR

**Ms. Anwesha Sthapit**  
**Editor**  
**LBEF Connect**

Dear Readers,

Warm greetings and welcome to the 2<sup>nd</sup> issue, Volume 8 of LBEF Connect for 2025! The past quarter has been a dynamic journey of progress and achievements, marked by exceptional academic milestones and vibrant extracurricular activities.

From June 23 to 27, 2025, thirty-five students from Lord Buddha Education Foundation (LBEF) completed an educational and cultural tour at Asia Pacific University (APU) in Malaysia. The visit aimed to expand students' global perspective and promote cross-cultural understanding. Through training workshops, campus tours, interactive sessions, and cultural exchanges, the program indeed enriched their learning experience and fostered greater cultural appreciation and global awareness.

Throughout the trimester, we conducted a series of engaging and insightful sessions designed to enrich the academic and professional growth of our students. These included Empowering Students through Exam Orientation and Preparation by Er. Prakash Kumar Kejriwal, Executive Director of LBEF Group of Institutions; Exploring the Power of MATLAB by Mr. Anil Kumar Gupta, and Hands-On with Data Science: Empowering Students with Python Skills by Mr. Bishal Prasad Kurmi. Additionally, students benefited from sessions such as Enhancing Academic Excellence through Proper Reference Writing by Prof. Dr. R. N. Thakur, Dean of Academics at LBEF College, and Exploring the Fundamentals of AI delivered by Mr. Dipesh Gurung. Further practical insights were shared during workshops on Kickstarting Innovation: Building Dynamic and Interactive Apps with Android Studio by Mr. Shambhu Gautam and a UI/UX design session by Mr. Sajeen Tandukar. These sessions not only expanded students' technical competencies but also boosted their confidence to explore interdisciplinary domains. The emphasis on both academic and practical learning created a well-rounded educational environment. Students had the opportunity to interact directly with experts, fostering a culture of curiosity and innovation.

The trimester also featured major events such as the LBEF Internship cum Placement Drive, LBEF Project Expo, and LBEF Sports Week 2025. These events provided platforms for students to demonstrate their skills, creativity, and team spirit, showcasing their endurance and enthusiasm in both academic and extracurricular pursuits.

I extend my heartfelt gratitude to our students, parents, and dedicated academic and non-academic staff. Your unwavering support and enthusiasm remains as the foundation of our success. Together, we continue to shape a brighter future and uphold LBEF's reputation as a leading educational institution in the country.

As always, stay safe, stay inspired, and keep striving for greatness!

### LBEF Internship cum Placement Drive

4<sup>th</sup> April, 2025

LBEF organized an Internship-cum-Placement Drive to assist, train, and provide internships for 4<sup>th</sup> semester students and facilitate final placements for 6<sup>th</sup> semester students. A total of 10 companies visited the LBEF campus to interview students and offer internship and job opportunities. The participating companies included Skillspark, Spirologics, WorldLink, Laba, Bechchha.com, Intuji, Neo Software, Midas Health, Genese Solution and Pathao.

The event presented numerous opportunities for students, with many receiving offer letters for internships and placements from various reputed organizations. Er. Prakash Kejriwal, Executive Director of LBEF Group of Institutions, and Mr. Sunil Ojha, Chief Operating Officer of LBEF College, expressed their gratitude to the delegates from the participating companies and honored them with tokens of appreciation. The companies praised the students' skills and knowledge in their respective fields and expressed interest in recruiting LBEF students.

Several companies indicated a strong desire to establish long-term associations with LBEF to meet their growing workforce needs. In the future, these companies plan to collaborate with LBEF to develop capsule or boot camp programs for students, facilitating their absorption into the workforce as part of their final placement upon successful completion of their degrees.

### Exploring the Power of MATLAB

8<sup>th</sup> - 10<sup>th</sup> April, 2025

Our students embarked on their journey into the world of MATLAB through an engaging foundation session conducted by Mr. Anil Kumar Gupta at the Seminar Hall, LBEF College. The session sparked enthusiasm as students watched their screens transform, where lines of code became solutions, equations translated into results, and logic powered real-time applications. From grasping the basics to discovering how MATLAB supports engineering, simulations, and data analysis, the session laid a strong conceptual groundwork.

Interactive demonstrations helped students visualize complex concepts with ease. Hands-on exercises encouraged problem-solving and critical thinking in a practical context. The session emphasized the role of MATLAB in academic research and real-world innovation. It was a step forward in building computational thinking skills essential for future tech professionals.

### Happy New Year 2082 from LBEF College!

14<sup>th</sup> April, 2025

LBEF College celebrated the arrival of New Year 2082 with joyful smiles, heartfelt wishes, and the warmth of togetherness. It was a moment filled with gratitude for cherished memories and the stronger connections we continue to build. As we step into this New Year, we embrace the promise of growth, learning, and endless opportunities ahead.

### Hands-On with Data Science: Empowering Students with Python Skills

17<sup>th</sup> April, 2025

*“Learning never exhausts the mind.”— Leonardo da Vinci*

Our students had an exciting opportunity to explore the dynamic field of Data Science through an interactive session on “Python for Data Science”, led by Mr. Bishal Prasad Kurmi. He introduced key Python libraries such as NumPy, Pandas, and Matplotlib, guiding students through the foundational tools used in data analysis and visualization.

The session offered practical, hands-on learning that bridged theory with real-world application. Students gained valuable insights into data manipulation, analysis, and graphical representation. This experience helped build a strong technical foundation in one of the most in-demand fields today. Such sessions are vital in preparing students for careers in analytics, AI, and machine learning. It was a meaningful step toward equipping future professionals with the skills to thrive in a data-driven world.

## Events

### LBEF PROJECT EXPO

21<sup>st</sup> April, 2025

The primary objective of organizing the PROJECT EXPO was to provide a platform for students to showcase their innovative final year projects, thus unleashing their potential. This event serves as a stage for presenting the culmination of months, or even years, of hard work, dedication, and creativity. The outcome was impressive, as students demonstrated their talent, shared their ideas, and showcased their technical skills to an audience of peers, educators, and industry professionals.

The project prototypes prepared by BSc.IT students addressed real-world problems in areas such as the Internet of Things (IoT), Website Design and Development, Artificial Intelligence (AI), and Machine Learning (ML). The projects were unique and impressive, featuring IoT innovations like Saline Level Monitoring and Automatic Alert System, Smart Irrigation System, Air and Sound Pollution Monitoring System, Temperature Control System etc. The AI/ML projects included Facial Recognition Technique, E-Waste Management Platform for Efficient Recycling And Disposal, Smart Automatic Dog Feeder, Exam Alert & Support System, Classroom Behavior Tracking System, etc.

The fair was evaluated by Er. Pankaj Jalan, Chairman of LBEF Group of Institutions; Er. Prakash Kumar Kejriwal, Executive Director of LBEF Group of Institutions, and Mr. Sunil Ojha, Chief Operating Officer of LBEF Campus. Upon the successful completion of the Project Expo, Er. Prakash Kumar Kejriwal expressed his gratitude to the LBEF team for their support in making the event possible. He also congratulated all faculty members, staff, and students for their active participation and contributions.

### Cheers to a Successful Admission Season at LBEF!

23<sup>rd</sup> April, 2025

On April 23, 2025, we marked the end of a fruitful admission season for Spring 2025 with a sweet celebration filled with cake, laughter, and team spirit. A round of applause to our incredible admissions team for their unwavering commitment and hard work every step of the way. Your efforts are truly vital to the growth and development of LBEF.

### Enhancing Academic Excellence through Proper Reference Writing

24<sup>th</sup> April, 2025

*“Change is the end result of all true learning.”- Leo Buscaglia*

Prof. Dr. R. N. Thakur, Dean of Academics at LBEF College, led an exclusive student session in the Seminar Hall, in which he shared valuable insights on mastering accurate reference writing, an essential skill for academic success.

During the session, students gained a clear understanding of different citation styles and how to apply them effectively in their work. They also learned the importance of proper referencing as a crucial measure to prevent plagiarism and uphold academic integrity. Additionally, the session emphasized how well-crafted references strengthen the credibility and professionalism of research papers. The students left equipped with practical tools to enhance the quality and authenticity of their academic writing.

### Exploring the Fundamentals of AI: An Engaging Session at LBEF College

27<sup>th</sup> April, 2025

An enlightening session titled “Understanding How AI Models Work” was conducted by Mr. Dipesh Gurung at the Seminar Hall, LBEF College. He demystified the core components of artificial intelligence and explained how AI powers many everyday technologies.

Students were given a unique opportunity to immerse themselves in the fascinating world of AI, gaining both theoretical knowledge and practical insights.

The session highlighted real-world applications, showing how AI impacts industries ranging from healthcare to finance. Interactive discussions helped students grasp complex concepts in an accessible way. The experience sparked their curiosity and enthusiasm for further exploration in the rapidly evolving field of AI.

## Events

### LBEF Students Welcome the Annual Calendar 2082 B.S. with Joy and Enthusiasm

29<sup>th</sup> April, 2025

*Sharing more than dates – sharing dreams, milestones, and the rhythm of a hopeful year ahead.*

Students eagerly received the LBEF Annual Calendar for 2082 B.S., their faces lighting up with smiles and excitement. The calendar, a symbol of new beginnings and organized planning, was warmly embraced by the college community. This annual tradition aims at encouraging students to set goals and stay motivated throughout the year.

### LBEF Sports Week 2025

18<sup>th</sup> - 23<sup>rd</sup> May, 2025

*“Sports week is a testament to the power of dedication, discipline, and teamwork, where athletes showcase their skills and inspire others to reach for greatness.” – Anonymous*

LBEF Sports Week 2025 kicked off with great energy on May 18 and continued through May 22, bringing five thrilling days of action-packed competitions, teamwork, and celebration. This much-anticipated event highlighted the importance of sports in building unity, nurturing talent, and encouraging excellence across the student body.

The entire LBEF College came alive with cheers, determination, and a shared sense of sportsmanship. With a vibrant mix of indoor and outdoor events of Badminton, Basketball, Carrom, Chess, Crickets, Futsal, Table Tennis, Tug of War, and Volleyball, students showcased skill, endurance, and enthusiasm at every turn.

The event's core vision revolves around promoting community spirit, boosting self-confidence, developing leadership qualities, and fostering healthy, fair competition among students.

### Celebrating the Champions and Champions Behind the Scenes of LBEF Sports Week 2025

25<sup>th</sup> May, 2025

The champions of LBEF Sports Week 2025 stood out with remarkable teamwork, determination, and an unyielding spirit. Their outstanding performances were recognized with trophies, medals, and certificates, graciously awarded by Mr. Sunil Ojha, Chief Operating Officer of LBEF College. This celebration honored not only their athletic achievements but also their exemplary sportsmanship throughout the event.

Equally important were the efforts of our dedicated student organizers and volunteers, whose meticulous planning, seamless coordination, and enthusiastic support were key to making this event truly memorable. A heartfelt thank you to all for your passion and hard work. Together, you made LBEF Sports Week 2025 an inspiring and unforgettable experience!

### Inspiring Innovation at the Fifth Annual Research Symposium

25<sup>th</sup> May, 2025

*“Great minds discuss ideas; average minds discuss events; small minds discuss people.”- Eleanor Roosevelt*

The Fifth Annual Research Symposium unfolded as a compelling story of passion, perseverance, and purpose. Our talented MSc. ITM and MBA students took center stage, presenting their research papers on the theme “Emerging Trends in Information Technology & Business Management”, each reflecting deep curiosity and dedicated effort.

We were privileged to welcome Mr. Sohan Babu Khatri, Management Consultant, Trainer & Educator, and Dr. Sudan Jha, Professor and Lead Researcher from Kathmandu University's Department of Computer Science & Engineering, who chaired the Management and IT sessions respectively. Their expert feedback and personalized mentoring transformed student ideas into sources of inspiration, igniting meaningful discussions and encouraging innovative thinking.

## Events

### Career Pathways: Empowering Grade 12 Graduates for the Future - Day 1

8<sup>th</sup> June, 2025

Career Pathways is a practical training program developed by LBEF College for students who have recently completed their Grade 12 examinations. The initiative focuses on strengthening essential soft skills, enhancing technological readiness, and building self-confidence in young aspirants.

Day 1 of the training program involved engaging and interactive sessions where participants bonded through group activities and icebreaker games. It was inspiring to see strangers quickly come together, forming a supportive and motivated team.

This was just the beginning – many more exciting sessions were yet to come, all aimed at equipping participants with the skills that truly matter in today's fast-paced world.

### Day 2 of Career Pathways: Empowering Futures at LBEF

9<sup>th</sup> June, 2025

Day 2 of Career Pathways offered valuable insights and practical guidance to the young aspirants. Participants delved into exploring meaningful career options in IT, learned how to create impactful resumes, and practiced interview techniques to boost their confidence.

The sessions encouraged self-reflection and forward-thinking, helping students gain clarity and the courage to take charge of their future. Each activity was carefully crafted to build essential skills and mindset for success.

### Day 3 of Career Pathways: Coding Skills Meet Career Clarity

10<sup>th</sup> June, 2025

Day 3 of this immersive training program blended programming fundamentals with career planning, offering participants a balanced mix of logical thinking and life direction. The day kicked off with a session on Introduction to Programming Basics where students explored the mindset and structure essential for writing effective code.

This was followed by a reflective and interactive session on Planning & Managing Careers, guiding our young learners to better understand and navigate their future paths. With hands-on activities and thoughtful discussions, students gained both technical skills and personal insight.

### Day 4 of Career Pathways: Diving Deeper into Programming Fundamentals

11<sup>th</sup> June, 2025

Day 4 of Career Pathways immersed participants further into the essentials of Programming Basics. The session explored the logic behind each line of code and demonstrated how simple building blocks come together to create complex, powerful systems.

It was a day filled with curiosity, exploration, and practical, hands-on coding experience. The session not only strengthened the participants' technical skills but also enhanced their critical thinking and problem-solving acumen - capabilities that are vital for tackling real-world challenges with confidence and creativity.

## Events

### Kickstarting Innovation: Building Dynamic and Interactive Apps with Android Studio

10<sup>th</sup> -15<sup>th</sup> June, 2025

The workshop on “Building Dynamic and Interactive Apps with Android Studio” began on an inspiring note. Under the expert guidance of Mr. Shambhu Gautam, students immersed themselves in Android development, involving environment setup, exploring Kotlin programming, and gaining practical experience with Jetpack Compose.

From mastering essential UI components to learning how to handle user interactions and seamless screen navigation, the session fueled creativity and enthusiasm. Participants engaged actively, turning concepts into real, functional app features. This hands-on experience equipped them with the skills to design intuitive, user-friendly mobile applications. The workshop was a vital step toward nurturing the next generation of innovative app developers.

### Day 5 of Career Pathways: Exploring the Essentials of Cybersecurity

12<sup>th</sup> June, 2025

The 5<sup>th</sup> Day of Career Pathways, LBEF's practical training program for recent Grade 12 graduates, focused intensively on the Fundamentals of Cybersecurity. Participants gained a deeper understanding of online threats and the critical methods used to safeguard data in today's digital landscape.

The session highlighted that cybersecurity is more than just a technical skill; it is a vital mindset for safe digital navigation in an increasingly connected world. Students engaged in interactive discussions that emphasized the importance of vigilance and responsible digital behavior. This comprehensive training session certainly equipped them with the tools needed to thrive in the technology-driven era.

### Day 6 of Career Pathways: Exploring Emerging Technologies for Tomorrow's Leaders

15<sup>th</sup> June, 2025

On the 6<sup>th</sup> and the final day of Career Pathways, students delved into the fascinating world of Emerging Technologies that are redefining the future. From Artificial Intelligence and the Internet of Things to blockchain and cloud computing, participants explored the forefront of technological innovation. The session went beyond just learning about tools; it ignited curiosity, encouraged critical thinking, and inspired a forward-looking mindset about the possibilities in a fast-evolving digital landscape. The session indeed empowered students to sharpen their skills, broaden their horizons, and prepare confidently for the challenges and opportunities ahead.

### Ready for Malaysia 2025: Pre-Trip Orientation

18<sup>th</sup> June, 2025

A Pre-Trip Orientation took place in the Seminar Hall of LBEF College, where enthusiastic students gathered in anticipation of their upcoming University trip to Malaysia. During the session, they received essential travel guidelines, learned about Malaysian culture, and were handed their passports, marking the start of an incredible adventure.

The session covered everything from setting expectations to encouraging open-mindedness toward new experiences. Students were fully equipped and motivated to explore new horizons, expand their learning, and grow personally and academically beyond borders. This orientation laid a strong foundation for a successful and enriching international experience. The journey ahead promised discovery, connection, and unforgettable memories.

## Events

### Session on UI/UX

22<sup>nd</sup> - 24<sup>th</sup> June, 2025

*"Each session leaves us with knowledge that stays with us forever."*  
- B.B. King

A session on UI/UX was conducted at the LBEF Seminar Hall, featuring insights from Mr. Sajeen Tandukar. He provided students with an in-depth understanding of designing intuitive and engaging digital interfaces. Mr. Tandukar explained that a thoughtfully crafted interface improves accessibility, minimizes user frustration, and greatly enhances a product's success. He stressed that effective design starts with empathy - grasping user behaviors, needs, and expectations. Additionally, he pointed out that as technology advances, UI/UX expertise is becoming indispensable for developers, designers, and product managers alike.

The session underscored the rising industry demand for professionals with strong UI/UX skills. Students were guided through the process from wireframes to polished, user-friendly designs, learning how to create digital experiences that truly resonate with users. More than 55 LBEF students attended the session, gaining valuable knowledge of current UI/UX trends and best practices. The participants expressed great appreciation for the hands-on insights provided, finding the session highly beneficial. This engaging session enriched their understanding of the expanding UI/UX field and ignited enthusiasm for pursuing careers in design.

### Educational and Cultural Tour at Asia Pacific University of Technology and Innovation (APU), Malaysia.

23<sup>rd</sup> - 27<sup>th</sup> June, 2025

A group of thirty-five students from Lord Buddha Education Foundation (LBEF) successfully concluded an educational and cultural tour at Asia Pacific University of Technology and Innovation (APU) in Malaysia.

Over the course of five days, the students immersed themselves in an international academic setting, participating in various training sessions centered on technology and innovation. They also took part in a range of academic activities organized by APU. As part of the cultural exchange, the Nepali students proudly presented their traditional customs, while their Malaysian counterparts showcased local cultural performances. Beyond the academic schedule, the students had the chance to visit prominent tourist destinations in Malaysia, including the Petronas Twin Towers, Batu Caves, KL Tower, Independence Square, Genting Highlands, the Royal Palace, and Putrajaya. The tour played a key role in broadening the outlook of the students. Activities such as training workshops, cultural exchanges, interactive sessions, and campus tours offered them a rich and engaging learning experience.

# LEO CLUB OF SAMARPAN LBEF

## Leo Leadership Camp 2025

11<sup>th</sup> -12<sup>th</sup> April, 2025

The Leo Club of Samarpan LBEF successfully organized a free two-day leadership camp at Hill Vision Resort, Jarsing Pauwa, Kathmandu, bringing together 30 active Leos from across the district. The event included Leo Advancement Sessions, engaging leadership workshops, and a vibrant Leo Night filled with music and dance. The camp served as a platform to inspire young leaders and foster unity and the Leo spirit. Such initiatives continue to shape the next generation of compassionate and capable leaders. We look forward to more of such dynamic events that uplift and connect Leos across the region.

## Third Annual General Meeting

25<sup>th</sup> April, 2025

The Third Annual General Meeting of the Leo Club of Samarpan LBEF was marked by a compelling presentation of the club's annual achievements, a thoughtful review of the past year, and meaningful discussions outlining future goals and initiatives. We express our sincere appreciation to our parent club, the Lions Club of Kathmandu Samarpan, for their consistent encouragement and guidance. A special note of thanks to our esteemed Lions members for honoring the event with their presence, and to Charter President Leo Tika Pandey, whose motivational presence deeply enriched the gathering. The AGM served as a powerful reminder of our collective impact and renewed commitment to service. We look forward to an even more impactful year ahead, driven by unity, passion, and purpose.

## Introducing the PVST Team for Leoistic Year 2025/26

25<sup>th</sup> April, 2025

The Leo Club of Samarpan LBEF is delighted to announce its newly formed PVST Team for the Leoistic Year 2025/26, selected through a combination of elections and nominations. Leo Mohit Bhandari has been elected as President, with Leo Peshal Bastola as 1<sup>st</sup> Vice President and Leo Shahnwaj Hussain as 2<sup>nd</sup> Vice President. Additionally, Leo Jigisha Shrestha has been nominated as Secretary, and Leo Prasad Sah as Treasurer. With a blend of dynamic leadership and steadfast dedication, the team is ready to steer the club forward with clarity, collaboration, and the enduring Leo spirit. The upcoming year promises new milestones, greater impact, and continued service to the community. We wish the new team a successful and inspiring tenure ahead.

## Leo Club of Samarpan LBEF Shines at Leo Olympic 2025

15<sup>th</sup> -17<sup>th</sup> May, 2025

The Leo Club of Samarpan LBEF enthusiastically took part in the three-day Leo Olympic 2025, proudly securing 2<sup>nd</sup> place in the Futsal tournament. The event was jointly organized by the Leo Club of Kathmandu Bhrikuti and the Leo Club of Kathmandu Prayasnagar at Prolific Secondary School, Dhumbarahi, Kathmandu.

This achievement reflects the team's dedication, sportsmanship, and strong spirit of camaraderie. Participation in such events not only builds stronger bonds among Leos but also encourages holistic growth through teamwork and healthy competition. We look forward to continuing our active involvement in future Leo sporting events.

## Events

### Digital Awareness Session

24<sup>th</sup> May, 2025

The Leo Club of Samarpan LBEF organized an impactful Digital Awareness Session on Cybersecurity at Shree Krishna Secondary School, Dhapakhel-23, Lalitpur, successfully engaging over 55 students from Grades 9 and 10. The session featured interactive discussions, a quiz, and an open forum, covering essential topics such as online safety and responsible digital behavior, making the learning experience both educational and engaging. Our special thanks goes to the school administration for their warm coordination, and we sincerely appreciate Mr. Safal Karki for his invaluable support in making this initiative a success. We were truly inspired by the curiosity and active participation of the students throughout the session. Initiatives like this help build a safer digital future by empowering youth with knowledge and awareness. The Leo Club remains committed to driving positive change through meaningful outreach.

### Leo Introductory Session at LBEF College

21<sup>st</sup> June 2025

The Leo Club of Samarpan LBEF hosted an engaging Introductory Session at LBEF College to welcome its newly inducted members into the Leo family. The event was honored by the presence of Chief Guest Leo Manish Aryal, District President – Leo District Council 325 I, Nepal, whose inspiring remarks energized and encouraged all in attendance.

As part of the program, Leo membership certificates were presented, officially recognizing and appreciating the new members for joining the movement of service and leadership. The session fostered a deeper understanding of Leoism and strengthened the bond among new and existing members. With fresh energy and shared purpose, the club looks forward to a vibrant and impactful Leoistic year ahead.
